	<b>Hampton Ballroom</b> <b>Organics</b> Eric Weis, HDR Engineering, Inc. (20)- The Role of Organics Management in Climate Action Planning Anna Malone, APTIM (20)- Navigating Future Organics Legislation in Virginia Ryan Duckett, Geosyntec / Virginia Composting Council (20)- Focused on Compost, An Update from the Virginia Composting Council
12:15 PM	<b>Hampton Ballroom</b> <b>Conference Close: \$100 Cash Prize Drawing</b>

# LOCAL VIRGINIA ELECTRONICS RECYCLING

Greenchip is dedicated to the secure and responsible management of end-of-life electronic devices. We are a complete provider experienced in compliant electronic waste recycling, data destruction, brand protection and state of the art shredding operations. Our turnkey solutions can be customized to any scale or complexity. Operating the highest capacity e-waste shredder in the nation, you can trust that we reduce risk and are the true end of life destination.

**Northern Virginia**  
65,000 sq ft state of the art shred facility  
**New York City Tri-State**  
Refurbishing and ITAD facility  
**Nationwide**  
Partner Program Network

- Data Destruction
- On-site Shredding
- Asset Purchasing
- Compliant Electronic Waste Recycling
- Certified Product Destruction
